PUBLISHERS CENTRAL BUREAU
33-20 Hunters Point Avenue • Long Island City, N. Y. 11101

Dear Friend:

Now you can treat your family and friends to entertaining, beautiful and informative books, tasteful prints and quality Hi-Fi and Stereo records at a fraction of their original prices. All are brand new--in perfect condition. Many are rare gems unavailable elsewhere at any price.

Sound hard to believe? It is, but it's true. To prove it we offer you an iron-clad guarantee of satisfaction. Everything you buy from us must please you. If it doesn't--for any reason at all--you are welcome to return it within two weeks and your payment will be refunded.

What Publishers Central Bureau Can Do For You

Publishers Central Bureau acts as a clearance outlet for many of the leading publishing houses and record manufacturers here and abroad. For more than 30 years our buyers have been carefully selecting and purchasing overstocks of some of the finest books published. We price them realistically for quick turnover--usually at savings to you of 50 to 85%. And we bring you equivalent savings on new complete editions of really choice volumes, often produced identically or better than the original.

If we were to send you elaborate color brochures describing each of the items we sell it would force our costs way up and our prices up as well. So we describe each briefly in catalogs such as this. We urge you to order as many items as you think will interest you. We know that only by seeing our books and listening to our records can you truly appreciate what treasures and values they are. Then, if for any reason at all they don't please you, return them to us within two weeks. We'll refund your money at once.

Feel free to order for gifts!

All items we offer are pre-selected to satisfy you, your friends and relatives. We offer them to you with personal pride, confident that you can do the same if you offer them as gifts. They'll widen horizons, help with hobbies and broaden knowledge in all fields of interest. And a gift of tasteful books or records is a compliment to the recipient.

But Please Note:

All of our items are subject to prior sale. Once our stock of a title is gone it often stays "out of print" permanently. Be sure to mail your order today. If in doubt about any item, please order it. Remember that if you don't wish to keep it for any reason at all, we'll be glad to take it back.

Sincerely,

George Douglas

P.S. If you receive more than one copy of this catalog, please forgive us. In order to reach discriminating people such as yourself we occasionally exchange mailing lists with other reputable firms and it is impossible to check for duplication. Perhaps a friend of yours would appreciate your extra copy.
